Subject - Allocation of pay of Sri P S Krishnaiah Setty, Typist of the Head Office

---

Adverting to G O No L 9643-4/M1 105-48-85 dated 18-2-1949 sanctioning the allocation of Typists and Steno-typists of this Municipality in the 2nd grade of 45-3-60-4-100, I write to state that Sri P S Krishnaiah Setty Sl No 4 in the list appended to the above Government order was allocated at Rs 51/- with the observation that it should be given effect to from 1-6-1947 in the Typist grade He was fixed on a pay of Rs 51/- while granting the weightage calculated with reference to the II Division clerical appointment, the total amount of service that the official had put in up to 1-1-1947 being 22 years But to syncronyze with the grade pay of Typists and Steno-Typists of II Division he was fixed at Rs 51/- and the same was given effect to from 1-6-1947

The official represented that he joined Municipal service as back as 1924 at Bangalore and had passed S S L C and Senior Type-writing examination before entry into service He has stated that he was all along being entrusted with the work of typing in addition to the clerical work with which he was being entrusted from time to time Copies of the certificates by the Officers under whom he served are produced by him in support of such work Even in this Municipality he was attending to the Typing work in addition to his own duties This was not possible without working over time ~~time~~.

time Nor was he in receipt of any remuneration therefor He has therefore requested that he might be allocated at least with reference to the Typists' cadre, against which he has been actually shown as detailed in the allocation statement adverted to in I Para It is to be stated that consequent on the provision made for 3 typists in the Head Office section of the Municipal Office, when the Office of the then President was reorganized as per G O No L 13188-189/M1 II-46-136 dated 28-3-47, the official was absorbed against one of the vacancies But he was x counted against the post of the Typist from 1-6-1947 only As the official was not actually in the cadre of Typists on 1-1-1947 he has been denied the benefits of the weightage in the typist's cadre, while the allocation statements were forwarded and instead he has been given the weightage in the regular clerical cadre for a short deficiency of 3 months Thereby he has got only one Rupee in the General Revision compared to what he was actually getting previously Had he been allocated in the II Division Typist's post he would have got Rs 60/- as against Rs 51/- While his other collegues who were far juniors to him in point of service were benefited by being fixed on higher pay though their service was hardly below 5 years by virtue of their being stenographers on 1-1-1947 The official in question has not been benefitted for all his service of 22 years as on 1-1-47 and has been denied the increased pay

It is also seen from a reference made to the Secretary to Government, Revenue Department in this office letter No M4 C 391/47-48 7/10-8-48 that the official in question has been shown as entitled to a pay of Rs 57/- as per - weightage in the typist cadre, perhaps it is 60/- as worked out in the allocation statement But the same has not

notbeen kept in view while sending the allocation statement for sanction during the General Revision The official was also in receipt of Typists' allowance and the same has been taken due note of while fixing his pay in the allocation but with reference to a clerical vacancy instead of Typist's vacancy The Managing - Committee before whom the representation of the official came up for consideration felt that this was really a hard case deserving sympathetic consideration They have - therefore recommended that the official be allocated in the II Division Typist's post from 28-3-1947 the date of Government Order sanctioning the reorganization of President's Office The Council have duly approved the recommendation at their meeting held on 7-1-1953 In enclosing herewith the copies of the resolutions of the Managing Committee and the Council and also the representation of the official, I request that orders of Government may kindly be obtained for a reallocation of the official so as to take effect from 28-3-1947 as per allocation statement ~~xxxxx~~ enclosed
